- Child Care provided to registered children outside regular contracted hours stated on the Parent Agreement Form is a private arrangement between parents and dayhome educator.

- An educator cannot offer care for a child longer than 18 hours in any 24 hour period without prior written notification to the agency.

- An educator offering care to a child for a period of longer than 18 hours in any 24 hours must provide each child with sleeping time (in these cases, the educator must give each child his or her own bedding and sleeping accommodations that meet the child's developmental needs and male and female school aged children must sleep in separate rooms.)

- An educator offering extended care is required to provide the child with facilities for bathing/showering (children must be bathed individually and supervised, according to developmental needs).

- If your hours of service change for any reason you are responsible to provide an updated statement indicating change of hours immediately to the agency.**
