4. PROGRAM PLAN: *(Now what)*

- How could you expand on the children's interest?

- What else could you provide to extend their learning?

- If you could change something, what would it be?

- Is there a variation of the provocation that may produce an alternate outcome?

3. REFLECT: *(After the activity is completed)*

- Did the child do what you thought they would do? Did anything surprise me?

- What did you find interesting about this experience?

- Did anything make you laugh, wonder or leave you in awe?

- Would you change anything?

- Did your interactions with the children help and or hinder their learning?
